EAST APARTMENTS

Chelmsford needs little introduction as a former town with a rich history dating back to Roman times - and more recently to being that of the birthplace of Marconi's 'wireless' radio, with the world's first regular wireless broadcasts for entertainment commencing in 1922.

Having been granted city status in 2012, Chelmsford is now the administrative centre of Essex, with an ever growing economy seamlessly blending with ever present reminders of its proud historic past.

Today, Chelmsford offers something for everyone and all walks of life - from acres of beautiful parkland to its thriving commercial and retail centres, and from being a principal London commuter belt haven to being a fabulous and energetic environment to live and work in.

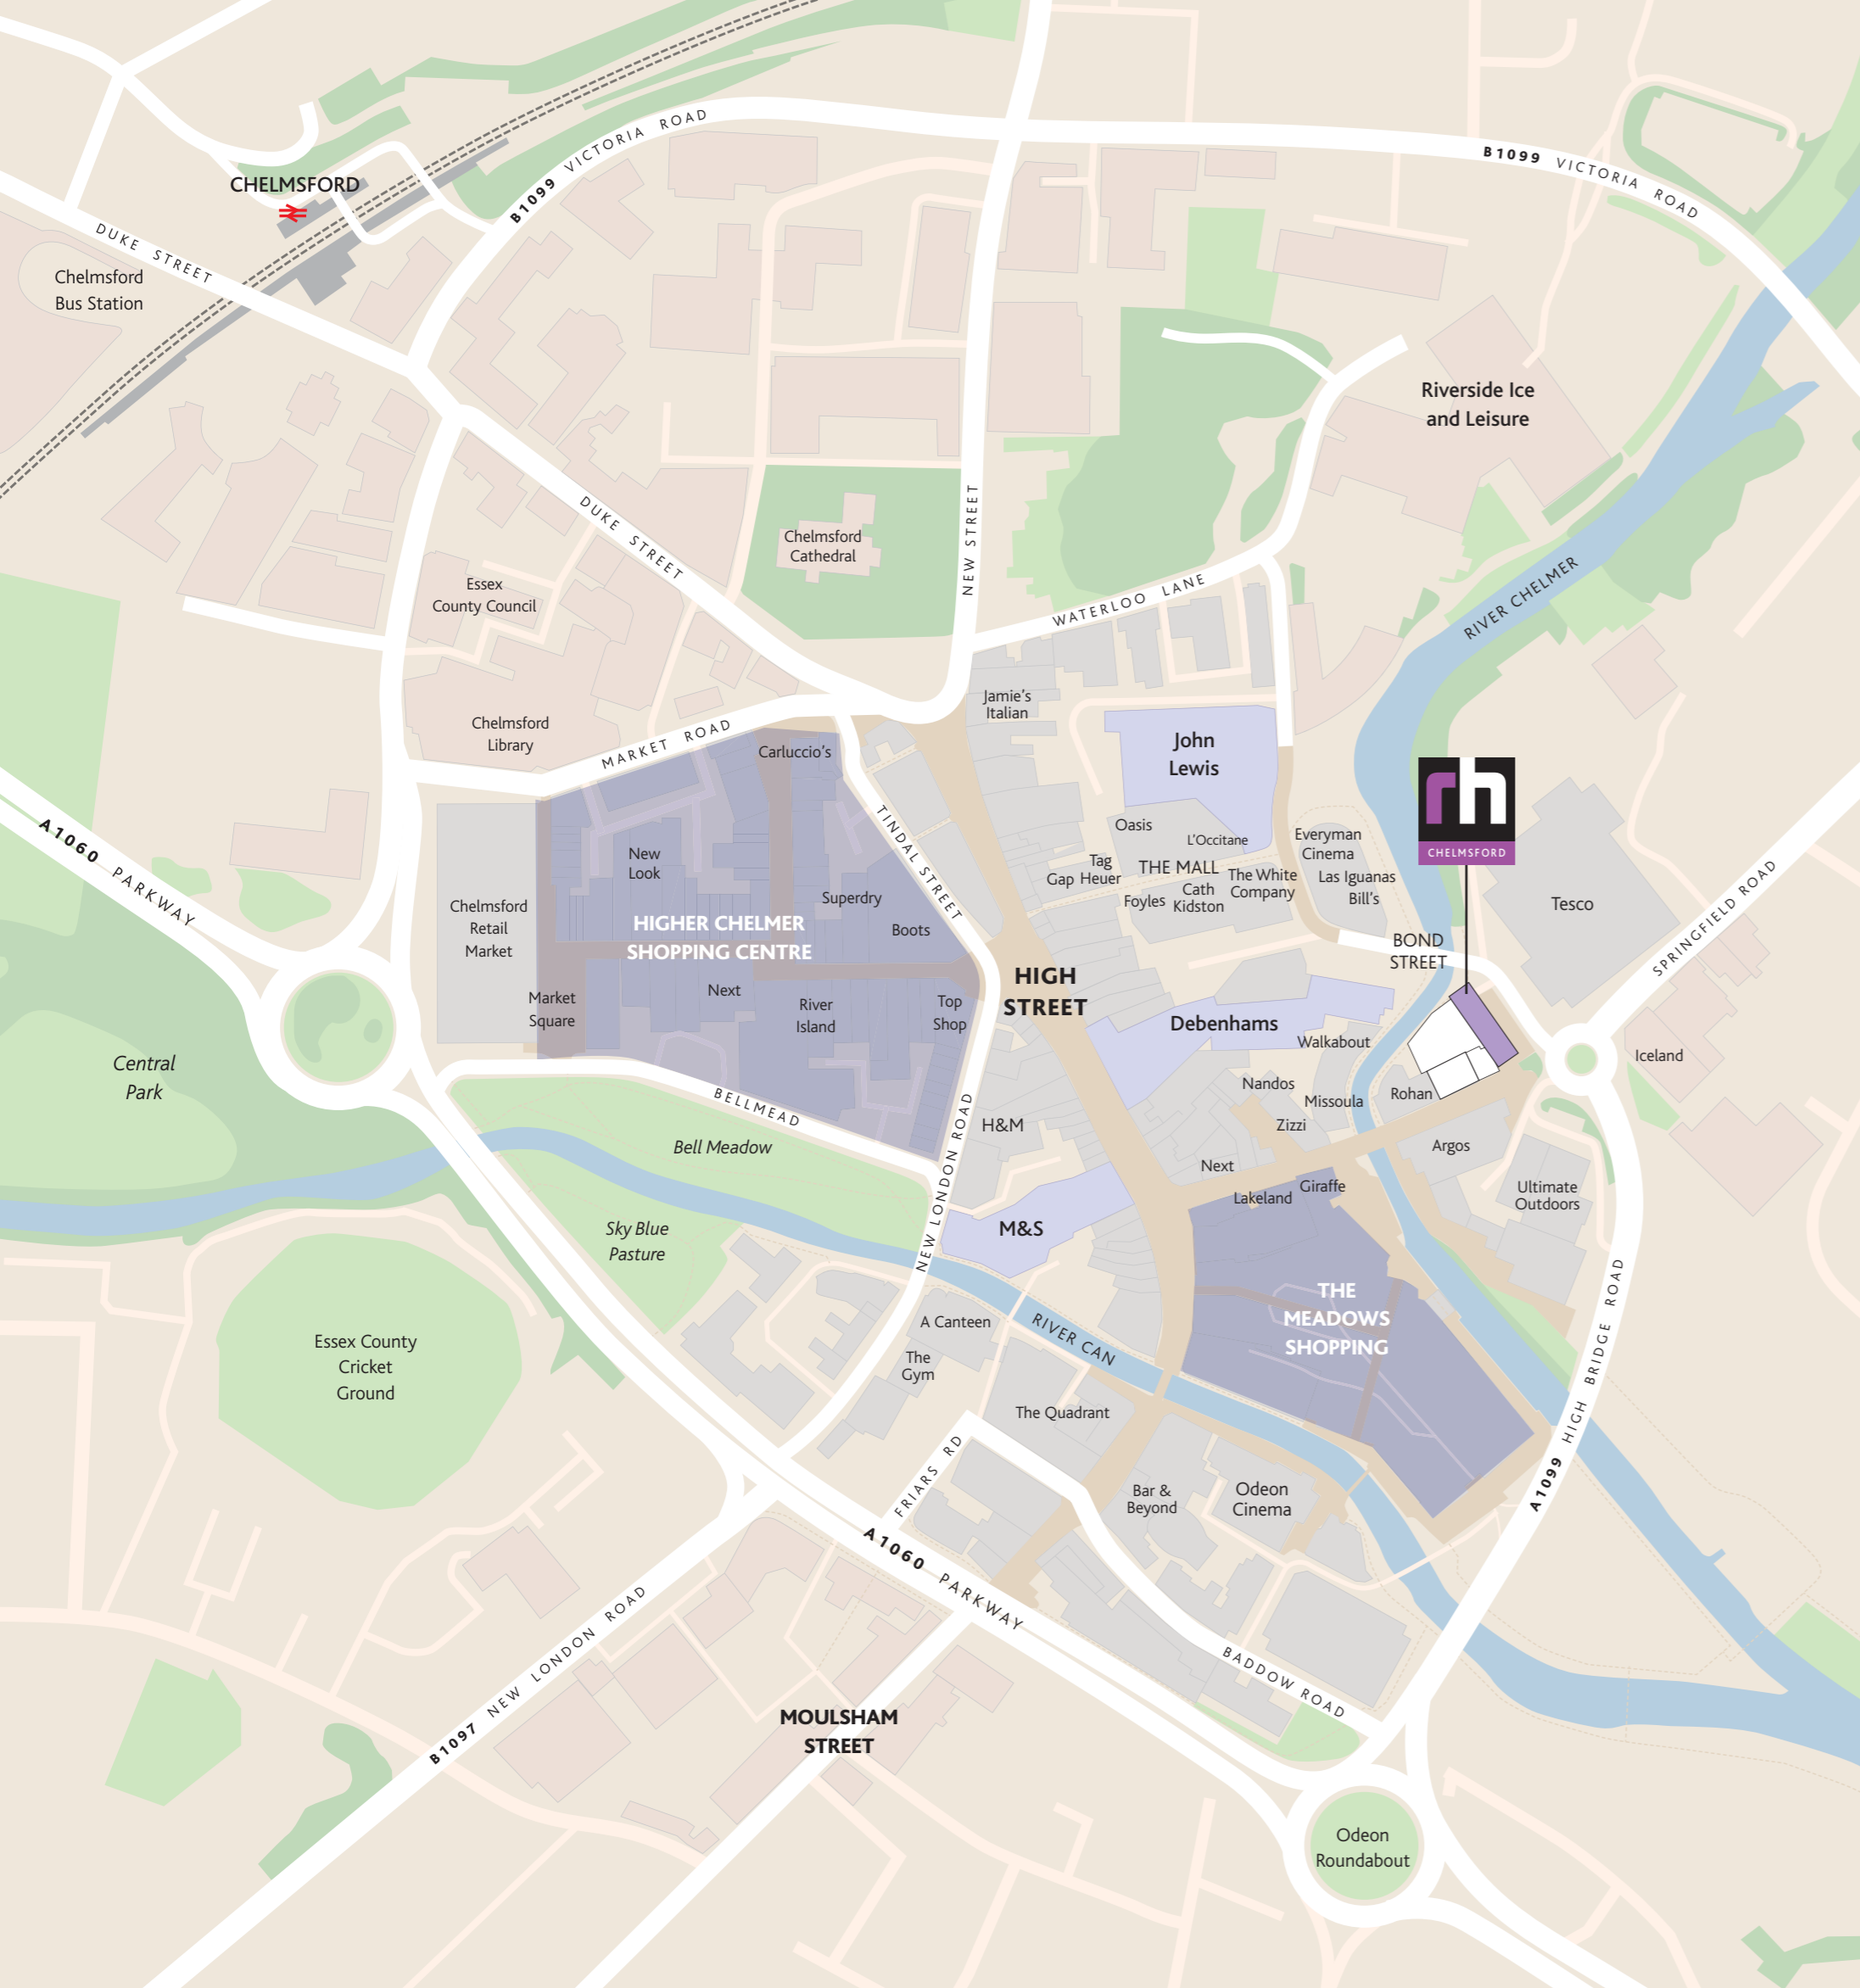

Living amid culture & character

Perfection in place

Chelmsford has excellent transport links with direct access to the A12, A130 and A414, while being 29 minutes drive from the M11 (J7) and 18 minutes from the M25 (J28).

Rail connections are equally impressive with a 35 minute service into Liverpool Street, and from 2019, a 12 minute hop to Crossrail services from Shenfield - enabling direct travel across central London and beyond.
