Islington Square is a new development in the heart of the borough. The architecture takes as its inspiration the rich heritage of the area, creating well-designed luxury homes that both reflect Islington's history yet offer sophisticated living for a modern lifestyle.

The Square is centred around three main buildings: a converted warehouse, a new build with Edwardian ground floor, and an entirely new design by leading UK architects.
8 Esther Anne Place is an Edwardian Royal Mail sorting office converted into large warehouse apartments, retaining many of the original features including high ceilings and ornate detailing. Inside are modern, considered living spaces with unique floor plans.
